

What is GrACE?

- † GrACE advocates for publicly-funded Catholic education across Alberta. It is supported by the Alberta Bishops, the Alberta Catholic School Trustees and the Catholic School Superintendents of Alberta.
- † GrACE invites all those committed to Catholic education, through the unity of the Holy Spirit, to be advocates and witnesses for our schools' successes and their future.
- † Each Catholic school district has been asked to form GrACE teams and get ready for advocacy.

Why is GrACE important?

- † The gift of publicly-funded Catholic education in Alberta is a true blessing. As a community we are called in gratitude, faith and action to ensure that our children and future generations continue to learn and grow in our Catholic schools.
- † Publicly-funded Catholic schools are constitutionally protected and have been educating children in Alberta for 158 years.
- † Catholic schools in our province are unique and distinct and share a Catholic worldview that is foundational to who we are.

The Five Marks of a Catholic School

3. Our faith permeates every aspect of education including learning outcomes and teaching strategies.
4. Catholic educators are living witnesses to the Gospel.
5. Catholic schools are safe and caring communities.
